Intent: Please prepare a draft that creates a program revenue appropriation for crash reconstruction services where the Division of State Patrol is not the lead agency.

Allow the department to charge local law enforcement agencies for work performed in the course of the crash reconstruction process. Allow the department to administratively set prices and procedures for the inspections. The revenue generated from this new program revenue appropriation is to fund the operation of the crash reconstruction operations performed at the request of local law enforcement agencies.

DRIVERS AND MOTOR VEHICLES

Under current law, DOT's state traffic patrol has specified duties and is authorized to conduct investigations relating to the use or operation of vehicles.

This bill requires the state traffic patrol to charge a lead local law enforcement agency for services provided by the state traffic patrol in assisting with a traffic accident investigation or reconstruction. The bill appropriates moneys received from such charges for use by DOT for purposes related to assisting local law enforcement agencies in conducting traffic accident investigations and reconstructions.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 **SECTION 1.** 20.395 (5) (dv) of the statutes is created to read:

3 20.395 (5) (dv) *State traffic patrol investigation assistance, local funds.* All

4 moneys received from any local unit of government under s. 110.07 (7), for purposes

1 related to assisting local law enforcement agencies in conducting traffic accident
2 investigations and reconstructions.

***NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.

3 **SECTION 2.** 110.07 (7) of the statutes is created to read:

4 110.07 (7) If any state traffic officer assists in conducting an investigation or
5 reconstruction of a traffic accident for which a local law enforcement agency is the
6 lead law enforcement agency conducting the investigation or reconstruction, the
7 state traffic patrol shall charge the lead law enforcement agency for all services
8 provided by the state traffic patrol in connection with the investigation or
9 reconstruction. The department shall credit to the appropriation account under s.
10 20.395 (5) (dv) all moneys received from charges to local law enforcement agencies
11 under this ^{sub}section.

Subject: 09-1631/1 - Crash Reconstruction

Aaron,

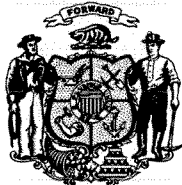

Can you change this draft to indicate that the department may charge any law enforcement agency that requests crash reconstruction assistance?

And, can you change the title to *State traffic patrol investigation assistance, state funds* or something similar?

Thanks,

Tyler
